INTRODUCTORY

In presenting this, the twenty-ninth volume of the Sacramento City Directory, the publishers desire to thank all who have contributed to the success of the work, either by patronage or in co-operation in furnishing information.

POPULATION

The present volume contains by actual count **30,499** names, **1,391** more than the 1918 Directory, exclusive of married women, single girls who have no occupation, and children, and also Japanese and Chinese. Using the usual Directory multiple of 2⅔ this gives a population for Greater Sacramento of **81,331,** an increase of **3,710** over last year.

Respectfully,

THE SACRAMENTO DIRECTORY CO.

March 1, 1919.

Section 28, Copyright Law, in Force July 1st, 1909.

"That any person who willfully and for profit shall infringe any copyright secured by this Act, or who shall knowingly and willfully aid or abet such infringement, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by imprisonment for not exceeding one year, or a fine of not less than one hundred dollars, nor more than one thousand dollars, or both in the discretion of the Court."

DIRECTORY OF HOUSEHOLDERS
1919

In the following list, the Streets, Avenues, etc., are arranged in alphabetical order without regard to location. The number of each building on the street is given in numerical order, and opposite the number is printed the name of the householder or householders. Houses that remain vacant at the close of the canvass have the word "Vacant" printed opposite the number. Houses with no numbers are not given. To find the occupation of householder, refer to the alphabetical list of names. For location of Streets, Avenues, etc., see pages 7-9.

To phone a person whose name does not appear in the City Telephone Directory, look said person up in alphabetical section, ascertain their house number, refer to "Householders' Guide" for corresponding street and number and the householder or householders names appear, they being in phone book if there is a phone in the house. If no phone in the house neighbors on each side will be seen before and after name, also people opposite.
